DECISION MAKING SIMPLIFIED

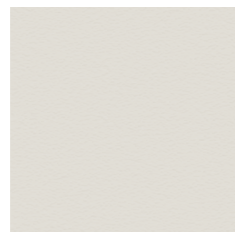

When it comes to designing a kitchen, it's easy to get overwhelmed with choice. Our curated range of on-trend but timeless colours that help simplify the colour selection by not overwhelming homeowner with too much choice.

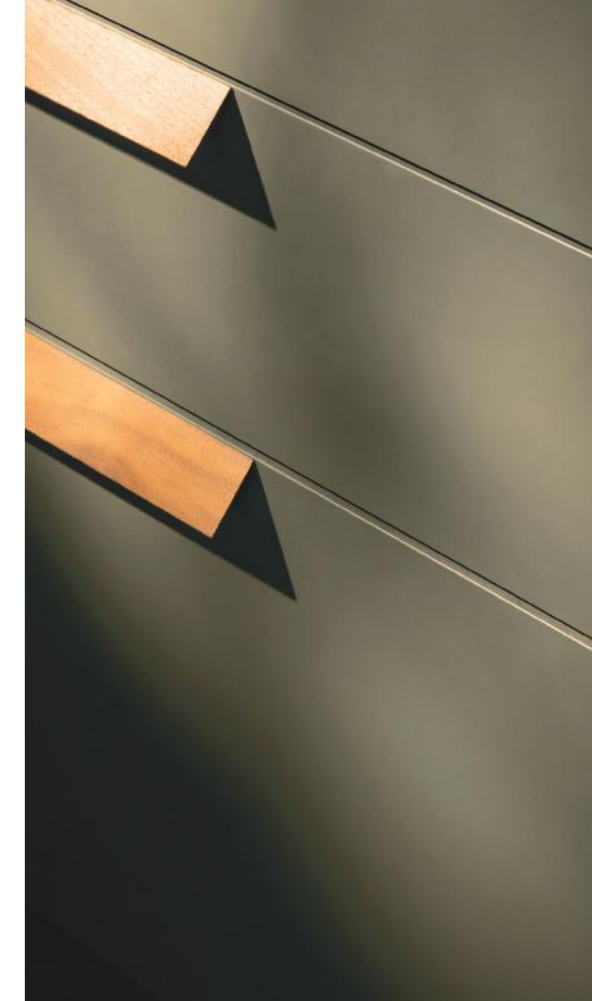

EXPERT DESIGN

Our expert designers make the design process easy and stress-free. Every Haven Kitchen comes with a free design service with skilled kitchen designers that will guide you to create a kitchen that you'll love.

AUSTRALIAN CRAFTSMANSHIP

Haven Kitchens by Formica™ cabinets are designed and constructed right here in Australia, incorporating quality fixtures and elements from trusted local and overseas brands including Laminex, Formica, Oliveri and Hettich.

Cabinetry Profiles

Cabinetry Colours

We've curated a selection of timeless and on trend colours, stone and wood grain finishes, which means you get to skip past endless decisions and whittling down your favourites. All you need to do is choose the colour or finish that feels right for you and your home.
